## *Meet Entry Information*

### *adidas Meet Of Champions*

#### *Distance Classic – March 28, 2015*

We would like to invite your team to participate in the 24th annual adidas Meet Of Champions Distance Classic sponsored by adidas and hosted by Azusa Pacific University and Arroyo High School to be held on Saturday, March 28, 2015, at Azusa Pacific University.

There are two Sessions each year in the adidas Meet Of Champions Distance Classic: *the Open Day Session and the Elite Night Session*. Your school's top athletes will be placed in the Elite Night Session of the meet and your other runners will be placed in the Open Day Session based on their qualifying times.

Once again the winner of the "Meet of Champions Dream Mile" race in the boys varsity and girls will qualify for the adidas "Dream Mile", *which will be held during the adidas Grand Prix meet in New York in June. All qualifiers will have all their expenses, including air and hotel costs, covered by adidas. The Dream Mile brings the top male and female high school runners in the country together in one race in the Grand Prix meet, which will also feature virtually every top American track athlete as well as several others from around the world.*

We will be awarding custom designed MOC medals for all races.

The evening invitational 800, 1600 and 3200s will be run from 7:00 PM to 9:30 PM and will feature the top two heats in all three divisions in the 800, 1600 and 3200. This night "Invitational & Rated" section of the meet will be open to all individuals who qualify; however, our "Open" section of the meet during the day is still open to only runners from our "50" teams, and you are one of those 50. You may enter all of your runners, and regardless of ability, each one will be in a heat with other runners of the same ability, and we will award custom medals to the top placers in every heat.

In that nighttime "Elite Invitational" section of the meet, we will run the full mile distance, but we will also have a finish camera at the 1600 meter mark to record official 1600 meter times.

These are the automatic qualifying marks that will guarantee your athlete is placed in the nighttime Invitational section of the meet. After all entries are received, the next athletes entered by time will be added to the invitational and rated sections of the nighttime meet to complete the fields.

<u>Division</u>	<u>Boys Var</u>	<u>Girls</u>	<u>Boys FS</u>
800	1:58	2:20	2:03

<b>1600</b>	<b>4:18</b>	<b>5:05</b>	<b>4:29</b>
<b>3200</b>	<b>9:29</b>	<b>11:05</b>	<b>9:49</b>

If for some reason you are not planning on bringing your team this year, please let me know ASAP as we have quite a waiting list of schools that would like to participate.

**Once again this year all entries will be done on line.**

Runners will be seeded into heats based on the times you submit. *All heats will be finals with medals in each race. It is of utmost importance that coaches be as honest as possible in submitting qualifying times, so each race is fair to all participants. You can update your entries on-line until Thursday night, March 19, 12:00 midnight. We plan to have the seeding done by Sunday night and the entries and specific heats and start times will be posted on our website (<http://www.mocdistanceclassic.com/>) and emailed to each of you on Monday morning, March 23rd.*

If there is any way we can make any part of this meet more of a positive experience for you or your athletes, please do not hesitate to call or let us know.
